

Slide 6: Why Choose India?

- Significant cost savings — around 30–60% less than surgeries in the US or Europe.

Sources: *Policybazaar, Heights Plus*

- High success rates (≈95%), especially when performed in accredited hospitals.

Sources: *Policybazaar, HealthCheckbox*

- Access to skilled surgeons, modern implants (e.g., PRECICE nails), and robust care infrastructure.

Sources: *Tumgik, Heights Plus*

- Well-established medical tourism with support for international patients.
